Re: Book Lists for September 2020

Dear Parent/ Guardian,

Book lists for the school year 2020 – 2021 will be uploaded to the school website today. You have two options regarding the school book rental scheme/ school fees again this year.

Option 1: You pay **€80 per child** to cover the use of all books, workbooks, basic stationary, homework journal, art and craft materials, photocopying and the creative writer.
This fee will be capped at €300 for a family of four or more, €230 for a family of three.

Option 2: You purchase all books and workbooks, as per Book List, and pay **€40 per child** for basic stationary, homework journal, art and craft materials, photocopying and the creative writer.

There are some items **not covered** under basic stationary which you **must purchase** for your child e.g. Tables Book, Dictionary, Irish-English Dictionary, hard backed copies, zipped plastic folders, Display books etc. See Book List for each class for more details.

In order to have all books in the school for September we will need to place an order soon. Please complete the form below indicating the option you choose for September and return it to the school **before Friday 1st May 2020.**

You may pay next year's fees at any time between now and June 26th and again in September. Please write your child's name on the envelope with the fee. If paying by cheque, **please make cheques payable to Leitrim NS.** We currently do not have the facility to pay electronically. The BOM are looking into this but it is very unlikely that this will be set up for September. You may pay by instalment. Please arrange this with the school.

Yours sincerely,

Richella Kelly,
Principal
